## Program purpose

**The Disaster Relief Fund** will provide up to \$1,500 for projects that directly service vulnerable cohorts impacted by Covid-19. Priority will be given to small to medium charities with less capacity to fundraise. All applicant organisations must be open and inclusive, actively engaged in community activity, and be significantly comprised of people who live, work, and volunteer or study in Darebin, Moreland and Yarra.

We will fund community projects that:

- Are feasible and ready to begin quickly
- Strengthen the diverse communities of Melbourne's Inner North.

Organisations are encouraged to purchase supplies from local businesses where possible. Organisations funded in the 2020 Covid-19 Disaster Relief Grants Program are eligible to apply to additional funding once the acquittal has been received.
